3 Bedrooms, La Vall de Ebo, detached property, stunning mountain views! This detached villa is located in a flat neighbourhood, linked to the centre of the small town Vall de Ebo. For typical Spanish village life, this property, originally from 1960, is a perfect option. Located at a dead end of a street, with a large, flat private plot of over 500sqm, the property offers the option for a pool, or eventually small independent properties for rental on its own plot.
